IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following: **READ ALL INSTRUCTIONS BEFORE USING (THIS APPLIANCE)**

WARNING - To reduce the risk of fire, electric shock, or injury:

- 1) Do not leave appliance when plugged in. Unplug from outlet when not in use and before servicing.
- 2) Do not use outdoors or on wet surfaces.
- 3) Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- 4) Use only as described in this manual. Use only manufacturer's recommended attachments.
- 5) Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- 6) Do not pull or carry by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
- 7) Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- 8) Do not handle plug or appliance with wet hands.
- 9) Do not put any object into openings. Do not use with any opening blocked; keep free of dust, lint, hair, and anything that may reduce air flow.
- 10) Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
- 11) Turn off all controls before unplugging.
- 12) Use extra care when cleaning on stairs.
- 13) Do not use to pick up flammable or combustible liquids, such as gasoline, or use in areas where they may be present.
- 14) Always turn off this appliance before connecting or disconnecting motorized nozzle.
- 15) Unplug before connecting Clipper and other accessories.
- 16) Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- 17) Do not use without dust bag and/or filters in place.
- 18) This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- 19) Children should be supervised to ensure that they do not play with the appliance. The clipper attachment must only be supplied at safety extra low voltage corresponding to the marking on the appliance.
- 20) If the SUPPLY CORD is damaged, it must be replaced by a special cord or assembly available from the manufacturer or its service agent.
- 21) The instructions for ANIMAL CLIPPERS shall state that the appliance is intended for trimming purposes only.

-
- 22) The ANIMAL CLIPPERS are intended for household use only.
 - 23) WARNING: Cutting blades may become hot after prolonged use.
 - 24) Use only with a USB Power Source on a certified product, such as on a computer, receptacle, lamp, class 2 power supply or automotive adaptor.
 - 25) Do not reach for an appliance that has fallen into water.
 - 26) Do not use while bathing or in a shower.
 - 27) Do not place or store appliance where it is able to fall or be pulled into a tub or sink. Do not place in or drop into water or other liquid.
 - 28) Except when charging, always unplug this appliance from the electrical outlet immediately after using.
 - 29) Unplug this appliance before cleaning.
 - 30) An appliance shall never be left unattended when plugged in.
 - 31) This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance.
 - 32) Use this appliance only for its intended use as describe in this manual. Do not use attachments not specified by the manufacturer.
 - 33) Never operate this appliance when it has a damaged cord or plug, when it is not working properly, after it has been dropped or damaged, or after it has been dropped into water. Return the appliance to a service center for examination and repair.
 - 34) Keep the cord away from heated surfaces.
 - 35) Keep the air openings free of lint, hair, and similar objects.
 - 36) Never drop or insert any object into any opening.
 - 37) Do not use outdoors or operate while aerosol (spray) products are being used.
 - 38) Do not use this appliance with a damaged or broken comb, as it has the potential to result in facial injury.
 - 39) Always attach plug to appliance first, then to outlet. To disconnect, turn all controls to off position (e.g. "0") then remove plug from outlet.
 - 40) Do not charge, place or leave the appliance where it is expected to be Subject to damage by an animal, or Exposed to weather.
 - 41) The battery must be removed from the clipper before it is scrapped.
 - 42) The appliance must be disconnected from the supply mains when removing the battery.
 - 43) The battery is to be disposed of safely.

SAVE THESE INSTRUCTIONS

To reduce the risk of electric shock, this appliance has a polarized plug (one blade is wider than the other).

This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in any way

Quick Setup Guide

Step 1. Disassemble the dust cup and remove all of the accessories.

Disassemble Dust Cup

Press the PUSH button and then lift the dust cup in the arrow's direction.

Assemble Dust Cup

Insert the dust cup in the direction of the arrow. Make sure it's well fixed.

Step 2: Connect one end of the hose to the vacuum.

Insert & rotate clockwise

Step 3: Connect the other end of the hose to the accessories.

Accessories Part 1: Electric clipper
